

# With MADLAINE TRAVERSE in HER VERMONT HOME

She is the  
helmsman  
of her own  
motor  
boat.

One of her choicest possessions is an  
ancient spinning wheel.

She is an ex-  
pert at tink-  
ering with an  
engine.

Her cabin is a  
purely rustic  
affair.

There's a real  
well and a real  
old oaken  
bucket.

Wild flowers are  
her landscape  
gardeners.

Giving the fish a  
treat.

Maud Muller  
stuff without the  
Judge.

She splits her  
own fire wood.
